REDEX ADBLUE WITH SPOUT

If your Adblue® tank is empty, your car won't start, so it's best to plan ahead. Topping up your Adblue® can be difficult, as you need the right kind of bottle - Redex Adblue's® unique bottle has a secure opening and locking system so you don't need to free pour it, preventing nasty spillages & odours. Can be stored safely in your boot without risk of leaking until you need it again. ISO22241-1 compliant 5L
